The best seniors older than 55 years: 1st. place - 10 Eur + book, 2nd. place - 5 Eur + book, 3rd. place – book. The best woman: 1st. place – 10 Eur + book

Registration from 8:15 - 8:45

The program: First round of chess will be drawn by computer and after finishing and drawing of second round all participants will start the run together one lap around the lake. Then, if one will come to the chessboard first they will start with white

pieces, then he/she makes a move and pushes the clock and the time of his opponent starts. If the one with black pieces comes first, he pushes the clock and waits. After finishing 2nd round of chess it will be drawn by computer, 3rd round of chess and again all will together start running one lap around the lake. Whoever, comes first, similarly as previous time - if first is white, moves and pushes the clock, if first is black, pushes the clock and waits. The same procedure will be in the next rounds. If none of the opponents comes to chessboard after any round around the lake until 15 minutes, the arbiter will start the clock of person with white pieces.

Premises: In the restaurant are large toilets, where it is possible to change clothes.
