BRUGES MASTERS

OPEN INTERNATIONAL CHESS TOURNAMENT

Play chess in 'Beautiful Bruges'

With participation of multiple grandmasters and masters during the best part of the Belgian summer time. Combine a visit to the beautiful city of Bruges with the participation in our tournament.

The playing venue is located near the railway station and main bus station in Bruges. For those who would like to stay in Bruges during the tournament, we have provided some useful advice on our website. From youth hostels and bed & breakfast up to five star hotels, Bruges has it all.

In the cafeteria, where the games can be analysed, we make sure to have a pleasant atmosphere with our fine selection of local beers. For the younger players (and for the less young players too), there are trainers available to learn from the games you have played.

All information and the registration page can be found on:
