

Online Registration of the Team-Compositions on chess-results.com

Last update 20.12.2012, Author Heinz Herzog

Requirement: Program Swiss-Manager (<http://swiss-manager.at>)

From the perspective of the organizer

The online registration of the Team-Compositions offers to the organizer a professional possibility to handle the collection of the daily Team-Compositions done by the team captains.

How to setup:

1) Done in Swiss-Manager:

- 1) Enter all data (teams/players/...) in Swiss-Manager
- 2) In case of a team-round robin tournament make the pairings („pairing / pairings menu“)
- 3) Upload the tournament to chess-results.com („Internet/Automatic upload to chess-results.com“)
- 4) Setup the Online registraion of the Team-Compositions on chess-results.com („Internet / Setup Team-compositions on chess-results.com“). If the setup is successful, the page <https://chess-results.com/TeamCompositionAdmin.aspx> opens automatically

2) Done on Chess-Results.com:

- 1) Open <https://chess-results.com/TeamCompositionAdmin.aspx>

Now all available tournaments are shown:

The screenshot shows the top navigation bar of Chess-Results.com with the logo and tagline. Below it is a language selection menu with 'ENG' selected. A main menu contains links for Home, Tournament-Database, AUT championship, Pictures, FAQ, Online Registration, and Swiss-Manager. The main content area displays a message: 'Please Select tournament to check/set parameters.' followed by a table of tournaments.
