Jyoti CNC Automation Limited

Jyoti CNC Automation Ltd., established in 1989 and headquartered in Rajkot, Gujarat, stands as one of India's largest and most respected CNC machine tool manufacturers, ranking among the top globally. With a mission of "Propelling Technology, Prospering Life," the company has consistently driven innovation in advanced machining solutions, offering a wide range of CNC Turning Centers, Turn-Mill Centers, Vertical and Horizontal Machining Centers, 5-Axis Machining Centers, and multi-tasking machines, all enhanced by Industry 4.0 and AI-driven technologies. Today, Jyoti's machines power industries across aerospace, automotive, healthcare, energy, railways, and space research, with more than 1,35,000 installations in over 62 countries.

Jyoti's journey is marked by pioneering achievements, including the development of India's first multi-tasking machine and leadership in simultaneous 5-Axis CNC technology. Its contributions extend beyond industry, playing a vital role in national projects such as India's Mars Orbiter Mission, and fostering socio-economic growth through skill development and employment generation. Recognized as the "Best Metal Cutting Brand" for seven consecutive years by The Economic Times and honored as an Iconic Brand of India, Jyoti exemplifies excellence and reliability.

Strengthened by vertically integrated manufacturing facilities and the Leonardo Da Vinci R&D Center, Jyoti ensures world-class quality and continuous innovation. Its global presence is further reinforced by the acquisition of Huron Graffenstaden SAS, a prestigious French machine tool company founded in 1857 and renowned for its expertise in 5-Axis machining technology. Huron serves elite clients such as Airbus, Boeing, NASA, Rolls Royce, BMW, and Ferrari, adding immense value to Jyoti's technological capabilities and international reach.

Driven by a commitment to excellence, sustainability, and customer success, Jyoti CNC Automation Limited continues to shape the future of advanced manufacturing, empowering industries worldwide with cutting-edge solutions and a promise of progress.
