**"Play Chess Discover Portugal"**, is not intended to be just a slogan, so in this festival we will make available a wide group of tourist proposals, so that players and companions can get to know the wonders of this Alentejo municipality. Thus, included in the base programme or as options, we will organize activities and experiences in the following areas/themes/locations:

- Visit and enjoy in the historic village of Monsaraz
- Peering at the stars in the Dark Sky Reserve
- Get to know a bit of the largest artificial lake in Europe, the Alqueva
- Appreciate the Pottery of São Pedro do Corval
- Discover the "Mantas" of Reguengos
- Learn more about the "Chocalheira" Art
- Visit one or more of the magnificent and famous Wine Estates in the region.
- And much, much more...

**If you want to enjoy in comfort, then bring your luggage:**

Swimsuit, towel, sunscreen (you may be able to enjoy the river beach), comfortable clothes and shoes (you will have some hiking to do), binoculars (only in the Alqueva area there are more than 100 species of birds...) and of course, photography is something you will not want to miss, reasons will not be lacking....
