Caldas da Felgueira:

The village of Caldas da Felgueira is located in the municipality of Nelas, in the district of Viseu, in Portugal. It is famous for its thermal baths.

Isolated in the middle of the Alto Mondego valley, on its right bank, 25 kilometres from Viseu, at an altitude of 220 metres, framed by the Estrela, Buçaco and Caramulo mountains, Felgueira belongs to the municipality of Nelas and two parishes, Canas de Senhorim and Nossa Senhora da Conceição de Nelas, and is part of the Dão-Lafões tourism region, making it easy to find, both for those travelling from the south via the IP3 and those travelling from the north via the A25. It can also be reached via the Beira Alta Line, <https://www.cp.pt/>, with Nelas station just 5 kilometres away.

“Play Chess Discover Portugal”, is not intended to be just a slogan, so at this event we will be offering a group of tourist proposals so that players and their companions can get to know the wonders of this spa village, as well as the municipality of Nelas and perhaps neighbouring municipalities. Thus, included in the basic programme or as options, we will be organising activities and experiences in the following areas/themes/locations:

- Discover Caldas de Felgueiras and the Nelas municipality
- Discover or rediscover the world of Dão wines, Serra da Estrela cheeses and Beiras olive oil
- Discover the Prehistoric Circuit of the Municipality of Nelas
- Santar Vila Jardim, a unique project in the Centre of Portugal
- Enjoy the hotel's exclusive gym
- Yoga will be a possible experience at Hotel Pantanha
- For the more motivated, the property's 2 hectares, with the collaboration of a qualified animator, can be a pleasant experience of contact with nature.
- And always something more...

If you want to enjoy it in comfort, then bring your luggage:

Swimsuit, towel (you may be able to take advantage of the outdoor jacuzzi with heated water), comfortable clothes and shoes (you may have some walking to do), binoculars (nature always has something to surprise us...) and of course, photography is something you won't want to miss, there will be plenty of reasons.
